NEW RENT CEILINGS IN ALBANY

Rent increases over OPA ceilings of 15 percent was authorized for Albany landlords Monday night by the City Council of an emergency rent control ordinance.

The emergency control was drawn up by City Attorney George Glavinovich and was passed without opposition. A provision was included in the ordinansce to the effect that when and if either the Federal or State government legislative bodies adopt rent control legislations, the Albany control will automatically expire.

Two letters from Albany residents were read to the Council protesting any such emergency action and asking that rents be frozen as of June 30th level.

Councilman Frank Hayes was appointed by fellow councilmembers to serve on the steering committee for the sewage disposal system of the East Bay Municipal Utility District.

Guns to Blaze At Lions Club Aug. 1 Meeting

The Albany Lions Club meeting on Thursday August 1 is going to be a rootin', tootin', shooting' affair, according to Program Chairman Stryker.

Mrs. Stanley Williams will be there with her pistols and, assisted by Chief of Police Williams, will show the club members some fancy pistol shooting.

The affair is to be held as usual at Jim's Coffee Shop and members and their guests will be required to check their own firearms at the door.

Mrs. K. Smith Wins On Radio Program

Mr. and Mrs. K. Smith, of 718 Johnson St., are vacationing in Los Angeles and San Fernando. Mrs. Smith appeared on the "Queen For A Day" radio program recently and, as a winner received many beautiful gifts. Her mother, Mrs. Voght, is keeping the home fires burning at the Smith's Albany home.

Y PROGRAM UNDER WAY

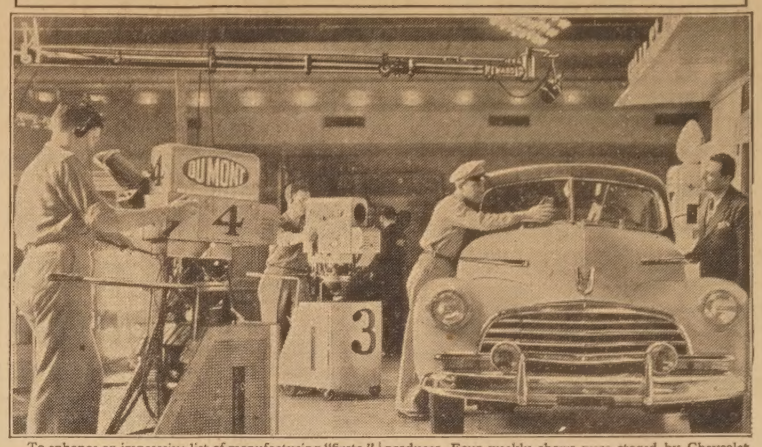

The summer program of the Albany Y.M.C.A. is in high gear. Attendance to the boys and girls gym classes and swimming classes are ahead of that of last year.

Some of the outstanding things just recently achieved, was that a group of nearly 60 boys and girls were taken to the baseball game at Emeryville ball park last Saturday. An ice skating party was held at the Berkeley Iceland the Saturday before.

In the building program the girls group has been having a special charm class put on by the Berkeley Charm Studio, under the direction of Miss Virginia Butler. The course includes grooming, mannerisms and posture. Among the craft projects Mrs. Frank Gray is directing crepe paper work on Friday afternoons for the next three weeks. Following her course Mrs. S. M. Garner will direct crafts in shell work.

A special treat for the boys has been the Thursday afternoon stamp group presentation and discussion by Hillis Humes. In the crafts Don Wehner is handling wood work and wood carving, so far the boys have completed small boxes, miniature Scotty dogs and what-not shelves. Leather craft and braiding is also being carried on. Following the craft program the groups at their scheduled time have a gym program on fundamentals in playing games, corrective exercise and tumbling.

How Your Television "Commercial" Will Look

To enhance an impressive list of manufacturing "firsts," Chevrolet now engages in another pioneering venture as the first motor car manufacturer to sponsor a regular commercial television show. Admittedly an exploratory venture to evaluate the possibilities of television as an advertising medium, these broadcasts were the first employing live talent to be sponsored by any automobile producer. Four weekly shows were staged by Chevrolet and broadcast through the facilities of the American Broadcasting Company's television network. The shows were televised at the Dumont Studios in New York for the three stations currently teamed in the ABC television network. Shown above is a scene from the second of the series, a half-hour program titled "Roads to Romance."

Chevrolet's Albany representative, Al Hackim, and the East Bay Chevrolet Co. at 916 San Pablo, are keeping up with the procession too and are featuring the highest type of up-to-the-minute service with a corps of skilled mechanics always on the job.

Flower Showing Air-Conditioned

Albany has an air-conditioned show room for a magnificent display of orchids, gardenia and begonia. The new scientific equipment has been installed by the Solano Avenue Florists at 1545 Solano Avenue.

NEW POST OF LEGION

Two coming events of interest to veterans of the community. . . . In the Albany Memorial Building at Portland and Ramona Avenues, Albany, starting at 8:15 p. m. Monday, July 29th, the John K. Evans Post No. 733 the American Legion will be instituted. The ceremonies of initiating the members, installing the officers and instituting this new Post in the Department of California will be conducted by the Alameda Voiture No. 257 Forty and Eight Ritualistic Team under the direction of Mr. Al Mathebat. Mr. Charles Lindh the Commander of the Tenth Legion District will present the charter to the new Post.

The John K. Evans Post No. 733 membership is made up of Employees of the Pacific Gas & Electric Company, veterans of the armed forces of our country who served in World War No. 1 and World War No. 2. The Post is named in the honor and memory of John K. Evans who served in the Army and lost his life in the landing at Guadacanal and one of the first P. G. & E. Co. employees who gave his life for his country.

On Wednesday, July 31 in the Albany Memorial Building, 8:30 p. m. the Tenth District Council of the American Legion and the Tenth District Council of the American Auxiliary will hold their annual meeting as guests of Albany Post No. 292 and Albany Unit No. 292. Mr. Charles A. Lindh, the District Commander will preside over the largest gathering of delegates ever assembled for a District meeting.

Hanson, Walter L. Holland and Howard F. Hill. Auxiliary Committee, Rose Connally, Mrs. Zella Lindh, Mrs. Louella Houser, Mrs. Margaret Hanahan, Mrs. Marion Hill and Miss Marjorie Stott.

W. J. Bowman on National Board

W. J. Bowman of the Albany Federal Savings and Loan Association is a member of the United States Savings and Loan League's Committee on Supervision, Examination and Audit, it is announced by Henry P. Irr, Baltimore, president of the League.

This committee represents a geographical cross section of the $9,000,000,000 savings and loan system of the nation.

Mrs. Minnie Lou Eakin of Albany was elected president of the California Federation of Women's Democratic Study Clubs at a recent convention held in Los Angeles.

BOARD OF EDUCATION SETS BOND ELECTION FOR OCTOBER 15th

The preparation of legal papers by the District Attorney of Alameda County for a school bond issue to be presented to Albany voters on October 15 was authorized by the Board of Education at a meeting held on July 18. The date for the election was set to coincide with that of the Berkeley bond election and to make possible the setting up of the precincts in the various school buildings. This plan, it was felt, would be preferable to combining the special ballot with the November general election.

The estimates for the proposed building program have, as yet, not been determined. At the present time Dragon, Schmidts & Hardman, architects for the Albany Unified School District, are completing the preliminary sketches of the required floor space for the proposed two primary school buildings to relieve congestion at the Marin and Cornell Schools, the addition to the high school auditorium gymnasium building to provide space for instrumental and vocal music classes, and the new north wing of Cornell School. These sketches will provide, in large part, the basis on which will be estimated the amount of money to be called for in the bond election. These estimates will be given consideration by the Board of Education at its next regular meeting scheduled for 7:30 p.m., August 1.

At this meeting of August 1, a public hearing will be held on the proposed annual budget of the Albany Unified School District for the year 1946 - 1947. This proposed budget calls for a district tax of $1.60 the rate that was levied for the last preceding year.

William Bouten, whose four years' military service were preceded by 3 years' experience with the Oakland Symphony Orchestra, was appointed by the Albany Board of Education to fill the vacancy in instrumental music teaching in the Albany High School. Mr. Bouten, who recently returned to civilian life after having served as a musician in the United States Navy for four years, will succeed C. Robert Laxon, whose resignation was accepted in order that he might teach at Chico State College.

Paul C. Bryan, Superintendent of Albany City Schools, was one of the principal speakers at the annual School Executives' Conference being held at the University of California from July 15 to 26. His talk, covering the subject "Equalization of State Aid for Pupil Transportation", was given Wednesday afternoon, July 17.

Mrs. Delsa Walton, President of the Board of Education, has also been attending a number of the sessions of this conference.

FIREMEN, POLICE IN 6 TO 5 WIN

Albany Police and Firemen retain perpetual trophy defeating the Albany Exchange Club 6 to 5 in a thrilling ball game at Memorial Park on Sunday, July 21st.

Policeman Pearson limited the Exchange Club to 7 hits while his teammates collected 10 hits off the pitching of Howell whose Exchangites were guilty of 4 costly errors. The Exchange Club went out in front in the first inning scoring 5 runs on 5 hits and collecting only 2 hits the rest of the ball game. The Police and Firemen scored 1 run in the first 1 run in the second, 2 in the fourth, 1 run in the fifth and the winning run in the seventh. Going into the last half of the 7th the ball game was tied at 5 all. Viarengo, for the Police and Fire, walked, and was safe at second by an error by Runyon at shortstop.

Baker bunted down the first-base line, was thrown out on a close play first-baseman Ragle to second-baseman Zerga covering first. Viarengo scored on a disputed decision on the relay from Zerga to Catcher Smith. At this point of the ball game, bedlam broke out. Viarengo attempted a hook slide rolling on his back, the umpire calling him safe and the Exchange ball players claiming that he failed to touch the base in a dispute that is still raging between the two teams.

Cornell, Glavinovich, Freeman, Howell and Zerga collected one hit a piece and Ragle two hits for the Exchange Club while Hoeth, Conner, Viarengo, Hritz, McSheehy and Pearson hit safely with Hutt and Decosta each collecting two.

When the smoke had finally cleared away from home plate and order was restored, the police, firemen and exchangites and families joined in a picnic lunch prepared by Captain Varni and the ball game beyond a question of doubt will be replayed verbally by the spectators and players for many weeks to come.

NOW...EVERY FAMILY CAN AFFORD FUNERAL INSURANCE

A few years ago it was uncommon to find any family fully prepared to meet the financial burdens of a bereavement. But today, the funeral payment plan that takes care of the entire cost of a complete funeral is one of the most rapidly growing forms of family protection.

A Funeral Service Plan establishes *in advance* just how much the funeral shall cost and pays the expenses without taking away from the savings and insurance funds of those who remain. And there is added peace of mind in knowing that no one will have to perform many involved business affairs at a time when hearts are troubled by sorrow.

We will be pleased to tell you about a reliable plan that renders a broad service at low cost.

Special services for the entire family have been arranged by the Vicar of St. Allan's Protestant Episcopal Church, the Rev. Randolph Crump Miller. Following the traditional service of Morning Prayer, there is a story for the children by Dr. Miller.

The story for the children this Sunday will be based upon the apocryphal story of Bel and the Dragon. Following this, Dr. Miller will preach on "Delighting in Little Things."
